

ADIRONDACK WILDERNESS

NATHAN FARB

foreward by Russell Banks- "The images... enormous, sense- surrounding, dead-on visions of the earth-pull us into deep geological time and space."

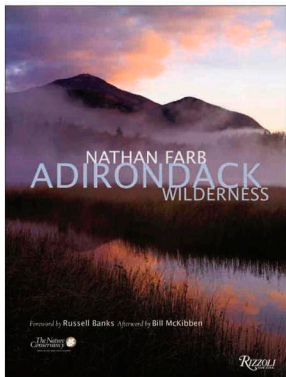

9 x 12 inches
208 pages
105 color photos

afterward by Bill McKibben- "Nathan Farb is the photographer laureate of the Adirondacks."

Have Nathan Farb sign and personalize your copy (print message here). _____
